PRESTO®

Dehydro™ Electric Food Dehydrator

www.GoPresto.com

Dehydrates fruits and vegetables—makes jerky and more!

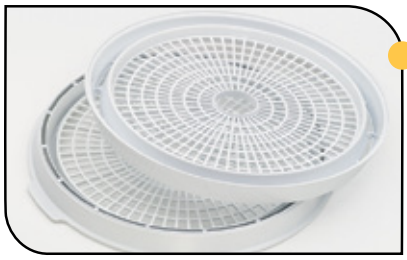
Expandable four-tray drying system.

Drying trays nest for compact storage.

- Four-tray system dehydrates foods at a fraction of the cost of commercially dried foods.
- Great for making jerky from meat, poultry, or seafood.
- Four drying trays included. Expands up to eight trays* for added capacity.
- Bottom-mounted fan and heating element provide consistent air flow for optimum drying.
- See-through cover on top tray for monitoring drying progress.
- Drying trays and cover are fully immersible and dishwasher safe.

Make delicious, nutritious fruit snacks with no additives or preservatives.

Drying trays nest and cord stores in base for compact storage. Over a 35% reduction in storage space.



*Accessories sold separately. Additional Drying Trays, Fruit Roll Sheets, Nonstick Mesh Screens (for drying small or sticky foods), Jerky Gun, and Jerky Seasoning available.
